

PREMIUM RESIN

PRODUCT DESCRIPTION

This grade is an excellent all round premium resin ribbon available in a range of colours, for printing deep, crisp images on a wide variety of synthetic and smooth labels. It offers increased levels of durability and smudge/scratch resistance expected of such a premium product and guarantees the best possible print results on smooth surfaces and polyethylene or polyester materials. With excellent print performance, these colours are suitable for use on all types of **NEAR EDGE** and **FLAT HEAD** technology printers.
